

Granite Community Volunteers Needed

We are blessed to live near Dimple Dell Regional Park, the largest, last-remaining public nature preserve along the Wasatch Front.

Our 2nd annual Dimple Dell Park Earth Day Cleanup 2018 is the perfect opportunity to give back to your local community and a fun way to experience nature.

Let's clean up Dimple Dell and give her some tender loving care by picking up trash and weeding invasive plant species, such as thistles, spurge, cocklebur (xanthium), etc.

Saturday, April 21, 2018

9:30am **Mandatory Registration @ Wrangler Trailhead**

10-12pm **Trash pickup and weeding assigned zone**

Attire / What to Bring: Long sleeve shirts/off-trail hiking attire, protective hiking shoes (no flip flops!), sturdy work gloves, and bring sunscreen, your own water bottles, trash pickers and grabbers, hand trowels, and at least one shovel per team. Bags and trash collection will be provided.

Please pre-register by **March 15, 2018** by sending your **name, phone number, email address, and the size of your group** to dimpledellwild@gmail.com or text/call (385) 350.2842.

On Earth Day, all volunteers must register at the Wrangler Trailhead at 9:30am and should come prepared to pick up trash and pull certain weeds as instructed.

We thank you in advance for helping us spread the word about this fun community event. Come out and make new friends on Earth Day this year and help Keep Dimple Dell Wild!
